

#### Insurance underwriting

We examine the possible risk in relation to **your** prospective policy (or anyone else involved in the policy) so that **we** can:

- consider whether to accept a risk;
- make decisions about providing and dealing with insurance and other related services for **you** and members of **your** household;
- set price levels for **your** policy;
- confirm **your** identity to prevent money laundering; and
- check the claims history for **you** or any person or property likely to be involved in the policy or a claim at any time.

We may do this:

- when **you** apply for insurance;
- if there is an accident or a claim; or
- at the time **you** renew the policy.

#### 5. Preventing or detecting fraud

We will share information about **you** with other organisations and public organisations including the police for the purpose of:

- tracing debtors or beneficiaries;
- recovering debt;
- managing **your** accounts and insurance policies;
- carrying out fraud searches; and
- preventing fraud.

Insurers pass information to the Claims Underwriting and Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). This helps insurers check information and prevent fraudulent claims. When **we** deal with your request for insurance **we** may search these registers.

If **you** give **us** false or inaccurate information:

- it may mean **your** insurance policy or prospective insurance policy is not valid;
- **we** will pass details to fraud-prevention agencies;
- law-enforcement agencies may access and use this information; and
- **we** and other organisations may access and use this information to prevent fraud and money laundering.

#### 6. Cheat line

To protect **our** policyholders, **we** are members of the Insurance Fraud Bureau (IFB). If **you** suspect insurance fraud is being committed, **you** can call them on their confidential cheat line on 0800 422 0421.

#### 7. Keeping to legal responsibilities

##### Managing claims

If **you** make a claim, **we** may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, others involved in the incident, their insurer, their solicitor or representative and medical teams, the police or other investigators. **We** also may have to investigate **your** claim and conviction history.

Under the conditions of **your** policy, **you** must tell **us** about any incident (such as an accident or theft) which may or may not result in a claim. When **you** tell **us** about an incident, **we** will pass information relating to it to IDSL.
